

# Victorian Leading Ladder 2014

## Round 2

## RESULTS

## Summary or the round

As last year the number of participant as reduced compare to the first round. Out of the 42 participants for this round, Ashlee Hendy remains the overall winner with 25 Flashes and 26 redpoints. In the open A male category we have a tie for the first place (Aaron and Adam)! Which one will make the difference at the next round?

In the Youth categories, Rebecca Leed ends up first female climbers (and she is only youth C). Same impressive results from Bode Tuckerman (also youth C) who ended up 1st youth male climber .

## Stats

Went to 0	Went to 1 facility	Went to 2 facilities	Went to 3 facilities	Went to 4 facilities	Went to 5 facilities
0%	48%	17%	10%	5%	21%

21% of climbers visited all 5 facilities which is slightly better than the first round. There are still 48% of the participants sticking to 1 gym. We hope for the next round that more participants will get the chance to visit several facilities.

Please give us as many feedback as possible so we can already start thinking about next year (contact [comp@hardrock.com.au](mailto:comp@hardrock.com.au)).

**Round three has already started** and it is your last chance to get some hard redpoints on awesome routes before **National Lead Titles 2014 at Hardrock Nunawading Sat 19 and Sun 20 July**. Info and registration will be up soon.
